DEL AMO NURSERIES

"Gardenland of the West"

INSTRUCTIONS FOR USING THIS PRICE LIST

With this price list, we introduce a new system of pricing nursery stock. By classifying plant material as to rate of growth and availability, we have been able to place them into one of five price ranges; in this list, **A**, **B**, **C**, **D** and **X**.

Referring to the text of the price list, a number of sizes will be found listed after each variety.

These are the sizes we stock in that variety.

Following the sizes is a key letter, under which the prices will be found on the price sheet. For example, we find listed:

ABELIA grandiflora. gc, 5gc, B&B to 5 ft. **A**
We stock this plant in one and five gallon containers, and in the field to five feet. The prices will be found, after those sizes, under the column headed "**A**" on the price sheet.

If two letters follow a variety the first refers to the prices of container grown stock; the second to field grown stock.

IMPORTANT: All prices listed for field grown material are for average nursery-run stock.

Specimens selected from the field will be priced 25% higher.

Abbreviations used in this price list are: gc, one gallon containers; 5gc, five gallon containers; B&B, balled and burlapped from the field.

■ ■ ■

Inasmuch as this is a new method of pricing nursery stock, we would appreciate your comments on this price list.

■ ■ ■

NOTE: This is a Temporary Price List printed to fill the demand until our Descriptive Catalog is published in the Spring.

DEL AMO NURSERIES
COMPTON, CALIFORNIA

TERMS AND CONDITIONS:

This list supersedes and cancels all outstanding price quotations and all material is offered subject to prior sale or stock on hand.

PRICES:

All prices are f. o. b. Compton, California (except as noted below) and are subject to change without notice.

On all retail purchases in California the state sales tax of 3% will be added.

PACKING:

No charge for packing or crating will be made if cash accompanies order; otherwise at cost.

DELIVERIES:

Free delivery to any point within ten miles of the Nursery. Orders of \$10.00 or more will be delivered free of charge on regular truck trips within the metropolitan area of Los Angeles and Long Beach and intermediate points. To outlying districts within a radius of 40 miles from Compton, California, orders amounting to \$10.00 or more will be delivered free of charge, when in combined truck-load lots or at the convenience of Del Amo Nurseries.

Note: On orders for less than \$10.00 a nominal delivery charge of 50 cents will be made.

GUARANTEE:

We guarantee all stock to be in perfect condition when delivered, but accept no responsibility after goods have been accepted in good order.

No adjustments made unless demand for adjustment is made in writing within three days after receipt of goods.

NON-WARRANTY:

Owing to conditions over which we have no control Del Amo Nurseries give no warranty, express or implied, as to quality, description, life or productiveness of any material sold by us.

Del Amo Nurseries will be liable only for the sum paid for such stock as may prove untrue to name.

CONTINGENCIES: All orders and agreements are contingent upon fire, strike, accident, car delay, embargo, act of Government, flood, drought, frost or any cause beyond control of Del Amo Nurseries.
